Land Writes - Content Warning

These scripts are currently in development. This content warning was last updated on Monday 20 April 2026.

Audiences are advised that *Land Writes* contains material that some may find distressing or triggering. The following themes and depictions appear across the programme:

- **Hedgerow** – Mature language; depictions of blood; stylised staging of childbirth; references to the loss of a child; hate crimes; and the death of a fetus.
- **The Moderator** – Strong and explicit language; sexual language; racist language and hate speech; references to torture, human smuggling, terrorism, and the Taliban.
- **What's–App-on-a-Time** – References to bombings; war in Iran; and the deaths of civilians.
- **The Veil** – References to displacement and war.
- **SCREW** – Scenes of physical interrogation involving violence; references to death and war; racist language; mention of historical bombings; and stylized murder on stage.
